PUBLICATIONS:

Wales PW: Trauma (Pediatric Trauma Essentials.) Audio-Digest General Surgery: August 2010: 57(15).

Invited visits:

**Azzie G:** Bethune Round Table Conference on International Surgery, Montreal, Quebec, Canada, June 2011. One of 5 Presenters: Recommendations for a contextually appropriate surgical training program in Botswana.

**Chiu PPL:** British Association of Paediatric Surgeons (BAPS), 57th Annual Congress, Aberdeen, Scotland, July 2010. One of 6 Presenters: Transluminal stenting of the intestine as a method to preserve bowel length in neonates with short bowel syndrome: Case series and review of the literature.

**Chiu PPL:** Canadian Association of Pediatric Surgeons Annual Congress, Saskatoon, Saskatchewan, Canada, September 2010. One of 3 Presenters: Improved outcomes associated with delayed surgical repair for congenital tracheal stenosis infants less than one year of age.

**Chiu PPL:** International Pediatric Endosurgery Group, 18th Annual Congress for Endosurgery in Children (IPEG), Prague, Czech Republic, May 2011. One of 5 Poster Presenters: Thoracoscopic versus open repair of trachea-esophageal fistula: A matched comparison of morbidity and mortality.

**Fecteau A:** Canadian Society of Transplantation - Pediatric Ethics Symposium, Quebec City, Quebec, Canada, March 2011. Guest Speaker: When does Transplant Patient need a Parentectomy?

**Fecteau A:** Canadian Paediatric Anaesthesia Society/Canadian Association of Pediatric Surgeons (CPAS-CAPS) Combined Meeting 2010, Saskatoon, Saskatchewan, Canada, September 2010. One of 4 Presenters: Implications in missed anorectal malformations on patient’s outcome.

**Himidan S:** Genomics and Health Initiative, 5th Advisory Committee Meeting, NRC Program - VR Systems for Surgical Oncology, Boucherville, Quebec, Canada, May 2011.

**Langer J:** Chris Evert Children’s Hospital, Fort Lauderdale, Florida, USA, December 2010. Visiting Surgeon: Duhamel pullthrough for total colon aganlionosis.

**Langer J:** Colorado Children’s Hospital, Pediatric Grand Rounds, Boulder, Colorado, USA, March 2011. Guest Lecturer: Hirschsprung Disease: Current concepts and controversies.

**Langer, J:** University of Colorado, Surgical Grand Rounds, Denver, Colorado, USA, March 2011. Invited Lecturer/Presenter: Surgical management of inflammatory bowel disease in children.

**Langer J:** CDH, Toronto, Ontario, Canada, June 2011. Guest Lecturer: Evolution of surgical approaches to CDH.

**Wales P:** British Association of Pediatric Surgeons, Aberdeen, Scotland, United Kingdom, July 2010. Abstracts: (1) Transluminal stenting of intestine as a method to preserve bowel length in neonates with short bowel syndrome: Case series and review of literature, (2) 5-year outcomes after serial transverse enteroplasty in children with short bowel syndrome.

**Wales P:** Dalhousie University, Department of Surgery, Division of Paediatric Surgery, Halifax, Nova Scotia, Canada, July 2010. Visiting Professor/Distinguished Speaker/Presenter: (1) Role of multidisciplinary teams for intestinal failure, (2) Role of omega-3 lipids in parenteral nutrition associated liver disease.

**Wales P:** Canadian Association of Paediatric Surgeons, Saskatoon, Saskatchewan, Canada, September 2010. Abstracts: (1) Ethanol lock therapy to reduce the incidence of catheter related bloodstream infections (crbsi) in home tpn patients with intestinal failure: Preliminary experience, (2) Implications in missed anorectal malformations on patient’s outcome.

**Wales P:** Women’s and Children’s Health Research Institute, Edmonton, Alberta, Canada, November 2010. Poster Presentation: Bacterial profile changes in the gastrointestinal tract of short bowel neonatal piglets.
Distinguished Speaker/Presenter: Short bowel syndrome.

Wales P: The Montreal Children’s Hospital, McGill University Health Centre, Montreal, Quebec, Canada, February 2011. Visiting Professor/Distinguished Speaker/Presenter: Short bowel syndrome – the future is bright.

Wales P: Canadian Paediatric Society 88th Annual Conference, Quebec City, Quebec, Canada, June 2011. Abstract: Prevalence of intestinal and liver failure after necrotizing enterocolitis.
